

Argus & The Oil Market Journal

Welcome to Argus prices and news via The Oil Market Journal

The Oil Market Journal and Fuel Prices Online are trading names of OMJ Limited

The Oil Market Journal collaboration with Argus enables OMJ clients to access a wide range of European refined product and biofuel prices including Ebob petrol and HVO biofuel.

In addition, OMJ clients can access Argus news and real-time biofuel prices as part of OMJ blended oil prices.

Argus prices can be added to fully customisable OMJ Professional Service Dashboards, the Smartphone App, reports and messages.

Argus Prices on OMJ Customisable Watchlists

Settlement Prices

Clients can customise the OMJ settlement price page to include specific Argus prices which are relevant to their business requirements. The Argus settlement prices will then appear on the "Close Prices" section of the OMJ Professional Service website and Smartphone App. The "Close Prices" page can be customised to include a wide range of close prices from other price vendors.

Excel Plug-in

Clients can access Argus settlement and historical prices directly in Microsoft Excel with the OMJ Excel Plug-in. This reduces admin times and eliminates errors when creating daily, weekly, or monthly pricing spreadsheets.

Email Messages

Clients can receive Argus settlement prices via the OMJ Messaging system based on a customised list of products which are relevant to their business.

Historical Prices

The OMJ historical pricing tool enables clients to view and download historical Argus prices in addition to a wide range of other oil, commodity and foreign exchange prices from OMJ. Clients can download the data in Excel, CSV and PDF format. Clients can use the tool to compare prices and build models which update each day.

Research Reports

Argus settlement prices are available in OMJ End of Day pdf reports. Prices are in US Dollar per tonne terms and local currency per litre terms including taxes and duties, blended in accordance with national regulations. The reports also contain OMJ news and analysis focused on the UK and Ireland downstream oil market.

Daily Settlement (Argus Settlement) for 23 Nov 2022

Product	Low
HVO Class I \$/t	2287.23

ULSD blended with FAME -10

ULSD blended with UCOME

ULSD blended with RME

Gas Oil blended with FAME 0

Gas Oil blended with FAME -10

Gas Oil blended with UCOME

About Argus

Argus is an independent media organisation with 1,200 staff. It is headquartered in London and has 27 offices in the world's principal commodity trading and production centres.

Argus produce price assessments and analysis of international energy and other commodity markets. Argus offers bespoke consulting services and industry-leading conferences.

Companies in 140 countries around the world use Argus data to index physical trade, as benchmarks in financial derivative markets and for analysis and planning purposes.

Argus was founded in 1970 and is a privately held UK-registered company. It is owned by employee shareholders, global growth equity firm General Atlantic, and Hg, the specialist software and technology services investor.

Global reach, local expertise

Argus has offices around the world's key energy and commodity producing, trading and consuming centres.

About The Oil Market Journal

The Oil Market Journal (OMJ) was founded in 1999 and provides European oil distributors and traders with oil prices, news and analysis. In 2022 OMJ merged with Fuel Prices Online.

OMJ delivers prices, news and analysis to clients via a range of innovative technologies including a web-based application, Smartphone App, ticker, wallboard, excel plug-in and messaging service.

OMJ is a licensed distributor for a wide range of commodity exchanges, price vendors and news agencies including:
